

"Time After Time"

Lying in my bed I hear the clock tick,
And think of you
Caught up in circles confusion -
Is nothing new
Flashback - *one* night -
Almost left behind
Suitcase *and* memories,
Time after -

Sometimes *I* picture *you* -
I'm walking too far ahead
You're calling to me, I *won't* hear
What you've said -
Then you say - go slow -
I fall behind -
The second hand unwinds

[Chorus:]

If you're lost you can look - and you will find me
Time after time
If you fall I will catch you - I'll be waiting
Time after time

After *the pictures fade* and darkness has
Turned to gray
Watching through windows - *I wonder*
If *you're* OK
Secrets *torn* from deep inside
The drum beats out of time -

[Chorus:]

If you're lost...

You said go slow -
I fall behind
The second hand unwinds -

[Chorus:]

If you're lost...
...Time after time (out)
